No. HC. 12/53.54. Notice is hereby given to the inhabitants of the Municipality of Gubbi Town, that the Municipal Council desires to impose the Octroi defined in the Rules appended (in lieu of the tax known as the Octroi which is sanctioned in Government Order No. L. 1151-3/Ml. 88-45-101, dated 28th July 1949 of the sanctioned rules).

Any inhabitant of the Municipality objecting to the proposed tax may within one month from the date of this notice, send his objections in writing to the Municipal Council.

Rules adopted by Gubbi Town Municipal Council under section 46 (2)of the Mysore Town Municipalities Act, 1951 for the levy and recovery of Octroi under Section 61 (b) (iv of the said Act based on the model rules framed by Government in Notification No. L. 14388—M1. 152-52 19, dated 24th November 1952.

Octroi Rules

1 Octroi shall be levied in respect of animals and goods or both specified in the schedule to these rules at the rates noted against each.

2 The octroi shall be paid at the time of import of the animals or the goods to the Octroi Mutsaddi in charge of the Octroi Ookad. In case of disagreement as to the amount of octroi duty payable by the importer of goods imported within the octroi limits the mutsaddi in charge of the ookad shall cause the importer to take the goods before the President or Vice-President or the Executive Officer, for the settlement of the duty to be paid.

3 When the goods have been examined at the octroi ookads, a pass in duplicate for such of the goods as are liable to octroi duty shall be furnished to the importer by the Octroi Mutsaddi. On receiving such pass, the importer shall forthwith bring the taxable goods to the Central Octroi Office accompanied by a peon, provided that, if the duty to which the goods are liable does not exceed five rupees, the Octroi Mutsaddi may receive such duty and give to the importer a permit showing the nature and quantity of goods and the duty received provided also that in the case of goods imported by railway, the inspector or other officer in charge of the Octroi post at the railway station may, in the same manner, receive duty not exceeding five rupees.

4 When goods accompanied by a pass as aforesaid are brought to the Central Office, they may be unloaded and weighed or counted by the Officer-in-charge of the Octroi Office. Upon ascertainment of the amount of octroi payable on the goods, the importer shall either pay the amount due and receive permit for the removal of the goods or shall deposit the same in the Octroi Office. When the duty is paid as above a permit shall be granted by the Officer-in-charge of the Central Octroi Office for the removal of the goods showing the quantity or weight of the goods, the duty paid in respect thereof and the date of payment. The fact of the receipt shall also be noted on each copy of the duplicate pass, one copy of which shall be paid in the office and one copy returned to the octroi post from which it was received. In case the importer wishes to re-export the goods at once, he shall do so only after obtaining a free export pass subjecting the goods to the escort of an octroi subordinate.

5 With a view to facilitating the appraisement of the value of goods when the tax is assessed on value, the importer may be called upon to produce the invoice of the goods for the inspection of the officer-in-charge of the Central Octroi Office. Whenever the invoice produced by an Importer is in a language other than English or Kannada, he shall produce a true copy of such invoice translated into English or Kannada and verified by the importer.

In case the Importer does not produce an invoice he shall give a declaration in writing regarding the quantity, number, weight, value, etc., of the article for clearance of octroi duty. Should the importer fail or refuse to produce the inovice or if the invoice or the declaration produced appears to the officer-in-charge of the Central Octroi Office to be false or unduly low, the value of the goods shall be assessed by the officer-in-charge of the Central Octroi Office at current rates and octroi levied accordingly.

Explanation.—When the appraisement of the value of goods is made on the basis of the invoice the value shall include all expenses such as packing charges, freight charges, cart hire, etc., less trade discount shown in the invoice.

6 With the previous approval of the President, in each case, any carrying agent through whom goods are imported on behalf of the persons resident within the municipality or any wholesale importer may on depositing as security such amount not being less than Rs. 250 as may be fixed by the President, be exempted from producing the goods imported by him, or through his agency for inspection at the Central Octroi Office, provided for the supply to the Municipal Council of correct and detailed lists of all such goods with the names of the consignees in each case. Every such agent shall be responsible to the extent of his deposit for the payment of octroi on all goods which may have left his premises without octroi having been paid :

Provided that the President may at any time cancel such exemption by giving notice in writing to such agent or importer and return to him the amount of his deposit or such portion thereof, as may remain to his credit or may in any case require such agent or importer to produce any such goods for inspection at the Central Octroi Office.

Every deposit holder under this bye-law shall submit on or before the third of every month the stock accounts of the previous month for verification of the dutiable articles.
